#### **“Concessionary rate of tax for intellectual property income**

**43ZI.**—(1) Despite section 43 and subject to this section, the concessionary rate of tax under subsection (5) applies for each year of assessment upon a percentage determined in accordance with regulations of qualifying intellectual property income of an approved company, that is derived —

(a) from a qualifying IPR elected by the approved company for that year of assessment under subsections (7) and (8); and

(b) in the whole or any part of a basis period for that year of assessment that falls within the tax relief period applicable to the approved company.

(2) The Minister or a person appointed by the Minister may approve a company as an approved company (subject to such

terms and conditions as the Minister or appointed person may specify), but not after 31 December 2023.

(3) The Minister or the appointed person may —

- 5 (a) specify an initial tax relief period for an approved company that does not exceed 10 years;

(5) For the purpose of subsection (1), the concessionary rate of tax for an approved company is a rate determined in accordance with the formula  $A + B$ , where —

income for that year of assessment, or by such later time  
as the Comptroller may allow in any particular case.

(8) An election of any qualifying IPR made under  
subsection (7) for a year of assessment is irrevocable, and the  
approved company is treated as making an election for the same  
qualifying IPR for each subsequent year of assessment.

(9) To avoid doubt, subsections (7) and (8) do not prevent an  
approved company from electing for any year of assessment, any  
qualifying IPR not already elected or treated as elected under

intellectual property income of an approved company  
for the purposes of subsection (1);

(b) the intellectual property income that is qualifying  
intellectual property income for this section;

(c) the circumstances under which a prescribed amount of  
qualifying intellectual property income that has been  
assessed to tax at the concessionary rate in  
subsection (1) may be deemed as income chargeable to  
tax at the rate of tax in section 43(1) for a specified year  
of assessment;

(d) the records to be kept by an approved company;

(e) generally to give effect to or carry out the purposes of this section.

(12) To avoid doubt, any regulations made under subsection (11)(d) do not affect the generality of section 67.

5 (13) In this section —

“qualifying intellectual property income” means any intellectual property income prescribed by the Minister in regulations made under this section;
